Please note processing times can vary. Applicants are encouraged to apply as soon as possible, late applications may not be accepted.

Our summer programs are generally planned for the age range of 5 years to 12 years, with some programs for 3-5 year olds. Each program has a minimum age indicated by the bubbles. Teens 12+ years old are welcome to register and participate in programs indicated teens welcome. If your teen would like to participate in a camp, but there is no teen bubble contact us and we'll see if our plan could include teens.

Staff have full authority to refuse registration/participation to any participant if they deem them to be a behaviour/safety risk or impacting the enjoyment of the program for other participants. If your child is in this situation, you will be called to pick up your child and your child may be withdrawn from future programs.

If your child receives adult assistance throughout the school year, such as an assistant/aid/support worker, please discuss this with us prior to registering as they will likely require this level of supervision to safely attend our programs and maintain supervision of all participants.

Registration Information

Program Cancellation

- If a program does not meet the minimum registration number by the registration deadline or unforeseen outside forces come into play such as weather the program will be cancelled. All efforts will be made to reschedule the program or transfer the participant to another program of equal value. If the credit cannot be used, a cheque will be issued.

Program Withdrawal/Refund

Note: Summer Staff are not responsible for lost or stolen personal belongings.

What Your Child Needs Each Day

Every Program:

- All programs require a water bottle and closed toe running shoes. Please bring indoor shoes and outdoor shoes.
- **DO NOT send your child in sandals, crocs, flip flops, boots, dress shoes, etc. They are not safe for active play and many field trip activities require running shoes.**

- Please assist your child in putting on bug spray and sun screen prior to the program. Pack it in a zip lock bag if you send it with your child to the program. Ensure your child knows how to apply it, spray types are easiest. Staff will not apply any lotions to participants.
- Some programs include a trip to the pool or water games. They should bring a towel and a spare dry change of clothes. IF your child is capable of using a lock, send them with one. Googles are optional but staff are not responsible for them.
